

Join Springer Nature Live Webinar STEP-BY-STEP GUIDE ON HOW TO PREPARE A SUCCESSFUL PAPER

**Date and time: June 23rd at 11.00 am
Germany time**

Presenter: Dr. Nabil Khelifi - Senior Editor at Springer Nature

Writing for peer-reviewed publication is an important part of the career of researchers and scientists. However, research students and early-career scientists often face difficulties in publishing their research papers. We planned a workshop that is dedicated to guide you into how to write your paper the best way possible.

To join, register by clicking **here**.
