# 1st Czech SciVal User Meeting

## Prague, 23rd September 2021, National Library Of Technology

1st Czech SciVal Users Meeting is designed for active users of SciVal as well as for those interested in using this tool. The event will be held in a hybrid way – you can choose to attend virtually via Zoom and/or in person at the National Library of Technology (NTK) in Prague.

Please register via https://bit.ly/1CzechSciValMeeting or QR code below.

What can you look forward to?

- Current possibilities of SciVal, updates and future developments
- Examples of usecases
- Information about Scopus and SciVal Certification programmes
- In-person meeting and possibility to talk about your case
- Lively discussion and sharing of experience
- And much more!

The meeting starts at 10:00, at the **computer class 02 at the 3rd floor of the NTK** or virtually via Zoom (link available upon registration). For in-person meeting, we recommend arriving in advance with prepared Covid certificate according to current governmental regulations.

The seminar will be led by **Bartłomiej Więckowski and Kate Patyrak, Customer Consultants for Research Intelligence.** You can look forward to the following programme:

| Time | Topic |
